Jurnal Teknologi Informasi Dan Komunikasi

Vol. 16 Number 2, November 2025 | E-ISSN: 2477-3255 | P-ISSN: 2086-4884

Digital Zone: Jurnal Teknologi Informasi dan Komunikasi is a double-blind, peer-reviewed journal that disseminates research and innovation across the field of Information and Communication Technology (ICT). We welcome manuscripts on Artificial Intelligence, Network Security, E-commerce, Data Mining, Geographic Information Systems, Cloud and Grid Computing, Bioinformatics, Decision Support Systems, Robotics, Mobile Applications, E-Government, Machine Learning, Computer Vision, Digital Image Processing, Natural Language Processing, Virtual and Augmented Reality, Business Information Systems, and other ICT-related topics. The journal is published twice a year, in May and November. All submissions undergo an initial screening and are then evaluated through a double-blind peer-review process via our online submission system.
